MOAA's Mission

The Military Officers Association of America (MOAA) is a nonprofit veterans' association dedicated to maintaining a strong national defense and ensuring our nation keeps its commitments to currently serving, retired, and former members of the uniformed services and their families and survivors. Membership is open to those who hold or have ever held a warrant or commission in any component of the Army, Marine Corps, Navy, Air Force, Space Force, Coast Guard, Public Health Service, or NOAA and their surviving spouses.

President's Perspective—

This past month many of our members have been very active in a couple of events for our veteran community.

The third Saturday of every month there is a major car show in Deland on Alabama Street in front of the courthouse. This was and is a prime opportunity to meet folks, and see some awesome vehicles, and introduce them to our chapter. Additionally, members attended the Habitat for Humanity Fundraiser for our homeless veterans. These are two examples of how our chapter members can be involved with other veteran organizations and our community.

Everyday more and more veterans are moving to our area. Many will be looking for ways to participate in veteran organizations and our community. Our chapter needs to be more visible and more involved. This can easily be accomplished by participating in the Deland Veterans Day Parade, November 8th and the Veterans Day Event at Bill Dreggors Park at 9 am on November 11.

Our members continually show their support by contributing nonperishable food items for the Bridge of Hope and financial donations to our veteran causes jar at each meeting.

I am very proud of our chapter. We may be small in membership numbers, but we have a huge heart when it comes to our veterans. I am wishing you an enjoyable Thanksgiving and SEE YOU AT THE PARADE AND VETERAN'S DAY EVENTS.

MOAA Take Action Center -<http://takeaction.moaa.org>**Legislative -**

As we move into the final quarter of 2025, the Military Officers Association of America (MOAA) continues to champion critical legislative efforts that support our nation's uniformed servicemembers, veterans, and their families. With the 119th Congress in full swing, MOAA's advocacy remains focused, strategic, and deeply rooted in grassroots engagement.

MOAA's current legislative agenda focuses on several high-impact initiatives aimed at improving the lives of servicemembers, veterans, and their families. To build momentum behind these efforts, MOAA encourages members to share these priorities with fellow servicemembers, community leaders, and elected officials.

Our chapter's participation in MOAA's "Advocacy in Action" campaign is more important than ever. Whether through emails, phone calls, or in-person meetings with Florida's congressional delegation, your voice helps drive change. The West Volusia Chapter has a distinguished record of civic involvement; it is important to uphold and continue this tradition.

How You Can Make a Difference:

- **Sign Up for Legislative Alerts** at MOAA.org to stay informed.
- **Contact Your Representatives** to express support for MOAA-backed legislation.

Together, we can ensure that the promises made to our servicemembers are honored with action—not just words.

One initiative is "Closing the Gate on Drugs" focuses on drug prevention and resistance training by raising awareness of common gateway drugs: tobacco, alcohol, inhalants, prescription drugs, and marijuana. The focus is on teamwork, discipline, friends and fun. There are 16 units in Florida. The Volusia Young Marines was established in March 2022 and currently has 12 participants between the ages of 8-18 years old. They meet two Saturdays of each month at the Salvation Army. The rank structure is the same as the Marine Corps. Currently, there is a 3-year waiting period for approval. Habitat builds house at the least cost, then determines how much the buyer can afford, approximately 30-35% of income, then Habitat covers the difference. They have generous business sponsors and community/partner contractors that donate their skills to build the homes. They also have volunteers that help with things

Membership -

Let's welcome our newest member LTC Michael Houser USA (RET). Membership now stands at 52 with 30 being Life members of MOAA National. Keep in mind our goal of 60 by year end so we have some work ahead of us. Thank you to those who have renewed their annual membership and congratulations to those who brought in new chapter members so far in 2025! Now the hard part - we need to keep up with these great efforts to retain our current membership base and bring in new members to the chapter. We need all our members to recruit. There are many members in Volusia County who are NOT members of our Chapter, and many more active, former, or retired officers and their spouses who are eligible to join— You probably know several! If you talk to someone eligible to join us, tell them about us, ask them to join, and point them to me using that WVMC business card we hand out at our luncheons. *Every chapter member is a recruiter--The larger our numbers, the greater our impact!*

Think of all the things we do as a chapter— Advocating for the Military Community, our philanthropy and community service activities, the camaraderie we share, and taking care of our chapter members... *If we were not doing those things in our community, who would?*

So, I continue to urge each of you to look for recruitment opportunities then strike up the conversation, if they are an officer, invite them to our next luncheon. If you need help closing the deal, have them contact me, Maj Curt Voelbel @ 386-479-3400 or LgtCurt@gmail.com.

We should be proud of the fact that ALL our members are MOAA National members making us a unique chapter. I encourage you to upgrade from Basic to Premium or Premium to Life membership by going the MOAA Website - <https://www.moaa.org/content/join-moaa/why-join-moaa/> . Information on Basic, Premium and Life membership is described. When on the website, scroll down to join.

ANNUAL Dues will be collected at our November Luncheon/meeting.

Please make it easier on yourselves and our Chapter and pay them ASAP so we do not have to chase this over the next several months. You may pay by cash, check, or credit card. Over the phone, call our current Treasurer Maj Pete Durnell at 321-443-6264. Thanks.

*Maj Curt Voelbel, USAF, RET
Membership*

From the Chief of Staff -

Maj Pete Durnell, our Treasurer, has done an excellent job keeping us financially sound and in compliance with Federal and State law as well as MOAA's policies. However, at some time in the near future Pete will be moving to be with family in England. Therefore, we are looking for his replacement. Because he has developed easy to use spreadsheets, Pete estimates he spends about 30-40 hours a month working the position. Replacing him soon will allow for proper training and transition. If you have the skills and desire to help, please contact Pete or Curt Voelbel.

Veterans Causes:

We support the Emory L. Bennett State Veterans' Nursing Home in Daytona Beach and also support Barracks of Hope in Daytona. The latter provides transitional housing for up to 9 months to male and female veterans who have struggled with homelessness, addiction, and mental health. Single occupancy rooms are provided, along with mental health counseling, case management, and three meals per day. **Please bring to each luncheon "Hygiene Bags" filled with Toothpaste, Brush, Shampoo, Soap, Deodorant, etc. in a plastic Zip bag. They are also accepting casual sport type clothing such as gym ware.**

Chief of Staff*

like painting and landscaping. We can always use more volunteers. Also, if you know a veteran that is in need of assistance please refer them to Habitat.

LTC Wickett thanked David and Sara for their presentations. She presented a check for \$500.00 to David for the West Volusia Habitat for Humanity Veterans' Home Program and presented a check for \$100.00 to Sara for an ad in their Young Marines Magazine.

LTC Wickett stated the homeless situations for veterans in Florida: 2024 there were 3,000 homeless Veterans in FL, 75 homeless Veterans in Volusia County; 2025 currently 19 homeless Veterans in Volusia County. The Barracks of Hope on the East side of the county and Habitat for Humanity have assisted in lowering the number of homeless veterans. LTC Wickett would like to see a drive by veteran's organizations in Volusia County to earn money to assist in this effort.

GOOD of the CHAPTER

Ms Lisa Hightower encouraged members to join in on the Veteran's Day parade and activities.

NEVER STOP SERVING®

The Chaplain's Corner -

Recently, I was reading a book by an author who stated that life is too hectic for most people because we choose to be too busy. We book ourselves too tightly and find that we are always running late or having to leave an event early because there "is just not enough time".

I think that author is onto something. I know for myself that I often believe that I will have plenty of time to accomplish all my tasks. Then, when someone wants to see me, even without an appointment, I feel stressed. Now my schedule is disrupted.

Perhaps the real problem is that we believe that work or other tasks are more important than people who are in need. I know that is not something we would want to admit, but it is true. Many of us live with a belief that if there is nothing on my schedule, I must be wasting time.

One person that didn't seem to worry about wasting time was Jesus. From what I read in the scriptures he was constantly being distracted by those who sought him out for healing or for some other thing. He was distracted by 10 lepers needing healing. He met a woman who just lost her only son and was now a widow. He spent time with her and reassured her that God was in control. He was distracted by His disciples who wanted places of honor in the Kingdom. I could go on recounting many other such instances. But, what seems true to me is that these distractions were not something that made Jesus upset. He was very comfortable being distracted by those in need.

How are you with distractions? Do you get frustrated. Do you turn away when someone needs to talk on the phone or stops by your house? I

hope not, but I know that most of us are too busy. Maybe we need to look at our lives and our schedules and try to live with "Holy Distractions". It just might be what we need as well as the one who wanted to spend time with us. Give it a try one day and see what happens.

Photos from Habitat for Humanity Ground Breaking—

West Volusia Habitat for Humanity (WVHH) did a ground breaking on 8 October for four houses to go to military veterans. The houses are to be built on E Walts Avenue. Several WVMC members attended the ceremony where David Seilkop, the Executive Director of WVHH, was presented a check for \$500 from WVMC. Many generous companies donated money or building materials. Aside from WVMC's donation the following are supporters of the Veteran's Build: Brian's Bar B-Q, Able Trim & Door, Publix Super Market, Boulevard Tire Center, RC Hill Mitsubishi, Lowe's, Advent Health, JG Plumbing, Decicco Electric, Florida Technical College, Modern Plumbing, Jacob Heating & Air Conditioning, Vintage Custom Homes, and Berry Roofing & Redesign.
